Texture Solutions

**Choco Splits Yogurts**  
Inclusions

# Choco Splits Yogurts

Choco Splits Yogurts are the perfect blend of indulgence and guilt-free enjoyment. With the rise of dairy and plant-based yogurt launches featuring crispy and chunky textures, our ready-to-use aseptic preparations with chocolate splits help you enter the dessert wave in yogurts. Designed for yogurt and dessert manufacturers, our solution simplifies supply chains and ensures a consistent, crunchy texture throughout the shelf life, offering consumers a delightful treat in every spoonful.

## MARKET INSIGHTS

Dairy and plant-based yogurt launches with crispy and chunky textures are increasing (Innova Market Insights). Permissible indulgence is a key consumption driver in yogurts globally.

## TARGET GROUPS

**Industry:** Dairy and plant-based yogurt and dessert manufacturers

**Consumers:** Dairy and plant-based yogurt and dessert consumers

## YOUR BENEFITS

- Ready-to-use aseptic preparation with chocolate splits inside
- Simplified supply chain and processing vs. adding fruits and chocolate inclusions separate
- Extensive formulation expertise for suitable taste and texture pairings with the chocolate splits in various dairy or vegan yogurt bases
- Crunchy texture experience throughout shelf life, Microbiologically safe process and product

## CONSUMER NEEDS

Consumers looking for an indulgent yet guiltfree dairy or plant-based treat.

## OUR SOLUTION(S)

Fruity or brown flavor preparations with aseptic chocolate splits from our chocolate competence center in Gleisdorf, Austria.
